Standard Operating Procedure (SOP) for functioning of libraries with regard to COVID-19

The Government has decided to open the libraries in the State excluding part time libraries from 01.9.2020 onwards for certain activities. The following Standard Operating Procedure (SOP) is provided for the functioning of all types of libraries in the State following social distancing norms, taking care of pandemic containment requirements.

I General norms

1. The following three sections may be opened initially for the benefit of public, school/college students and those who are preparing for competitive exams.
   - Lending Section
   - Reference Section
   - Own Book Reading Section

2. In Branch Libraries and Village Libraries, lending section shall only be opened.

3. The part-time libraries shall remain closed since these libraries do not have the above three sections.

4. The libraries shall function from 8.00am to 2.00pm on all working days except Branch and Village Libraries which shall function in their usual working hours (before 2.00pm on working days)

5. Libraries which come in the containment zones across the state shall not be re-opened during the lockdown period and readers from containment zones should not be allowed to use the library.

6. Usage of Air Conditioning facility in the library or sections shall be avoided.

7. Own book reading section users shall not be allowed to share their books, laptops and other things with other readers. Those things shall not be permitted to be taken to other sections of the library other than own book reading section.

8. Group discussion shall not be allowed in this section.

9. Persons above 65 years of age, persons with co-morbidities, pregnant women and children below the age of 15 years shall not be allowed to use the library.

10. In libraries with computerized catalogue facilities, readers shall write down the details of the book they require, on a small piece of paper, and librarians shall pick up the books and issue it to the readers in Lending Section.

11. Libraries which do not have a computerized catalogue, shall keep a copy of book register and issue the books which the reader
selects. Permitting the library users inside the book stack room shall be avoided.

12. First-come first-serve basis shall be followed when a large number of readers arrive at the same time to the reference section and own book reading section. In that case, librarian and library staff shall register the names of the remaining readers and may be requested to come later on a specified time.

II Social distancing norms

1. Proper boxes must be marked on the floor/ground with minimum 6ft distance to ensure social distancing in the queue while the readers/members enter into the libraries and they shall be allowed one by one inside the library.
2. Social distancing norms shall be followed to avoid crowding at the entrance.
3. The seating arrangements in the Own Book Reading Section and Reference Section shall be made keeping suitable social distance with only 50% seating capacity.

III Precautionary measures and sanitization:

1. Prior to usage of libraries, the premises of the libraries along with furniture, book racks, hand rails, doors, windows etc. shall be disinfected properly following the Government guidelines already issued for the same. Full disinfection of the libraries shall be done daily before opening of the libraries.
2. Provision of adequate hand wash facilities / hand sanitizers shall be provided.
3. Readers/Staff shall only be allowed to enter the premises after washing their hands/disinfecting/sanitizing.
4. Readers shall not be permitted to take the books directly from the Book Stacks.
5. Librarian and library staff shall take the reference books requested by the readers from the bookshelf and provide them to the readers.
6. Librarian and library staff must wear hand gloves while doing so.
7. Director of Public Libraries shall communicate the Government guidelines for sanitization of public places/libraries to all libraries for strict compliance by all concerned.
8. Wash areas, toilets, etc., where people are likely to come shall be disinfected properly. Social distancing norms shall apply to such areas strictly.
9. The books, reference materials used / returned by the readers shall be kept separately and they shall be thoroughly cleaned with disinfectant before replacing them into the shelves.
10. The District Library Officers shall co-ordinate with concerned local bodies / health department officials for thorough cleaning and sanitizing all libraries and their premises once in a week.
11. The Chief Librarian/Librarian of the library shall be responsible for the upkeep of their library according to these standards.

IV Thermal screening in libraries
1. Thermal screening of all readers/staff including contractual staff shall be done when they arrive to the libraries.
2. The Chief Librarian/Librarian shall check whether it is functional every day.
3. A no-touch thermometer, 4 numbers of AAA cells for replacement and a clean cloth are to be kept ready for thermal screening. The Chief Librarian/Librarian shall check whether it is functional every day.
4. Thermal screening could be done before the person enters the library. Subject to the infrastructure available, it is desirable that persons wait in a queue following physical distancing norms, in some shaded area like a covered structure or corridor, etc. Proper marking should be done in the floor for social distancing.
5. The person handling the thermometer should wash hands and dry them before touching the no-touch thermometer. That person should familiarize himself with the instructions.
6. Before using the no-touch thermometer, the person handling it should look at the infrared sensor lens at the end of the unit. If dirty, it should be cleaned so that the thermometer works properly. To clean the lens, wipe gently with a damp swab. Do not use solvents, and do not touch the lens with the fingers.
7. To prevent transmission of disease, avoid direct contact of the thermometer with a person's skin.
8. After use every day, the device handle should be wiped clean and dry, before storing it safely for the next use.
9. The thermometer should be checked for functioning an hour before the first use each day. In case, the cells are having no power left, they should be replaced. Always spare cells should be available with the person operating the thermometer.
10. The average normal body temperature is generally accepted as 98.6°F (37°C). Some studies have shown that the "normal" body temperature can have a wide range, from 97°F (36.1°C) to 99°F (37.2°C). The persons who show temperature above 37.2°C may be restricted from entering the library.
V Social behaviour for pandemic prevention/containment in public places/libraries

1. The Chief Librarian/Librarian shall ensure that a clean face mask is used by all readers/staff of the library.
2. Wearing of face masks shall be made compulsory. Touching the mask should be kept to minimum.
3. Touching the face or any part of the face should be avoided.
4. Touching any surfaces of furniturefixtures/ railings/ lifts/ handles and other surfaces should be kept to the minimum.
5. Spitting should be strictly prohibited inside the premises.
6. Social distancing shall be maintained at all places in the libraries.

VI Other instructions

1. Further detailed instructions regarding usage of different sections of the libraries shall be issued by the Director of Public Libraries.
2. All staff must compulsorily wear their Identity card at all times, from the time of leaving their residence (during the transit, working hours etc) until they return to their respective residences, at the end of the day.
3. Hospitals/clinics in the nearby areas, shall be identified and list be available at all libraries at all times.
4. All staff should be thoroughly oriented on COVID-19 with focus on hand washing, respiratory hygiene, social distancing, surface cleaning practices, self-care for any co-morbid conditions, seeking proper care at the earliest etc.
5. Readers/Staff should be strictly instructed not to attend any unnecessary social gathering.
6. Library users should be informed with a clear circular on the instructions about how to use the library and sections, through library notice board and readers should be guided to follow the instructions strictly.
7. Chief Librarian/Librarian shall be held responsible for strict adherence of guidelines at the libraries and should carry out compliance checks frequently.
